2. Schedules not received up to this date (July 20th). Membership figures taken from the Conference Report as given in *Christian Guardian*.

3. Japan Schedules not received. Membership figures taken from Minutes of 1892.

4. The totals of this column are the totals of the following Conferences for 1892: Toronto 10 less; London, 188 less; Guelph, 20 less; Bay of Quinte, 70 less; Montreal, 14 less; Nova Scotia, 14 less; New Brunswick and P.E.I., 2 less; New Newfoundland, 1 less; Manitoba and North-West, 1 less; British Columbia, 14 more. The totals now given are as sent to me in Schedules by Secretaries of Conferences, and appear to be necessary in order to harmonize with figures as given in A and B.

An earnest effort was put forth this year to have prompt and full returns of all Statistics, and we hoped as a result a full summary of the various Schedules ready for the Minutes of all the Conferences, but we have been again defeated by the tardiness of some of the Secretaries.

The Committee on Credentials reported *re* T. E. Archer and his credentials, giving him the standing of a one year probationer; and any other obtainable facts *re* his work were ordered to be forwarded by the Secretary of Conference.

Resolution *re* C. Bryant.

Moved by Rev. Coverdale Watson, seconded by Rev. Joseph Hall, and *Resolved*,—That although Rev. C. Bryant's name appeared in the Minutes of last year as having been left without a station at his own request, it is nevertheless a fact that such relation was by special arrangement of the Stationing Committee to meet the peculiar exigencies of the work at Maple Ridge, and that Bro. Bryant really continued to supply the work there during that period, in conformity with such arrangements, and therefore this Conference puts on record Bro. Bryant's true position as affecting his claim for the year's standing.

Resolution *re* Rev. Principal Whittington.

Whereas, Rev. R. Whittington was a year ago left without a station at his own request, in order to allow him to accept the position of Principal in our College; and whereas, Bro. Whittington has been so engaged during the year, and is now a member of our Conference;

Resolved,—That we ask the Superannuation Board to favorably consider his case and permit him to stand as having been engaged in the service of the Church, and allow the past year to count in reckoning any future claim which Bro. Whittington may have on the Fund.

REPORT OF EPWORTH LEAGUE COMMITTEE.

Your Committee is pleased to report :

That the Epworth Leagues of this Conference are doing a noble work and filling a long-felt want. We have also to report an increase of four in the number of Leagues, and thirty-five in membership.

We wish to recommend—

1. That every effort be made to form new societies, and that the pastors take pains to understand and explain the workings of the Society.

2. That every effort be made to have every League represented at the conventions called by the Provincial Association. Having had the programme of the Second Annual Convention, to be held in Vancouver from June 14th to 19th, inclusive, placed in our hands, we heartily commend this programme to the sympathy and support of our Epworth Leagues.

3. That greater care be exercised in the appointment of officers and committees.

4. That this report be read in all the League Societies.

DAVID SPENCER, *Chairman.*

J. CALVERT, *Secretary.*

REPORT OF COMMITTEE ON STATISTICS.

Your Committee report as follows :

We have tabulated the District Schedules, all of which we find complete and believe to be correct, except in one respect, as stated below. We have also made some comparisons between them and the reports of last year, and in some respects the comparison is gratifying.

The membership of the churches in this Conference has increased by 269. The amounts raised for Connexional purposes by the various Circuits and Missions is below that of last year by \$1,314. The grand total of amounts raised for all purposes is also below last year in the sum of \$11,641. The severe financial closeness of the past year is no doubt the cause of these fallings off. The amounts paid by the Circuits for the support of ministers, as far as we are able to estimate, is in advance of last year, the amount of advance being \$2,310.

We make this recommendation : That, inasmuch as some of the Circuits and Missions do not make proper disposition of such items as "Horse Keep," etc., the District Meetings be requested to make strict inquiry into such items in the future, and direct that each item be entered in the proper column.

W. W. BAER, *Chairman.*

JAS. CALVERT, *Secretary.*

REPORT OF TEMPERANCE COMMITTEE.

Your Committee has not received any special communication upon which to report, but may say that while we recognize the existing evils of intemperance, which are no less than on former years, we rejoice in the steady growth of temperance organizations, and we believe an increasing interest in the mind of the public.

As a Church we have sustained our record of uncompromising hostility to the liquor traffic, believing it to be the greatest power in the land opposing moral and religious advancement.

We are glad to see the increasing interest which is being taken in juvenile work by the temperance organizations, and urge our ministers to give as much help as possible to this work.

We would express our hearty approval of the action of the members of Parliament in securing an amendment to the Municipal Act with reference to clubs.

We find a growing sentiment in favor of entire prohibition of the liquor traffic manifested in arrangements for the formation of prohibition clubs. We would urge our ministers and people to seek to secure, at an early date, a vote on the question of Prohibition.

As far as we are able to judge, we fear that the action of the Decennial Missionary Conference of India in failing to condemn the action of the Government in encouraging intemperance, impurity and the traffic in opium, is likely to create a false impression in the eyes of the world. We desire, therefore, to place on record our disapproval of these evils, and our determination to do all in our power to drive them from our land.

J. A. WOOD, *Secretary.*

REPORT OF COMMITTEE ON THE STATE OF THE WORK.

Your Committee on the State of the Work beg to report hopefully of what is being done for the cause of religion among us as a Church.

The various departments and interests of our work have been presented with earnestness and zeal, resulting in some cases in evident growth and success. True, the financial depression so common during the past year has had a depressing effect in some instances, but the faith and effort of our ministers and people have been conspicuously and graciously owned of God in moral and spiritual prosperity.

The evidence of this appears in the blessed revival reported among the Indians of the Port Simpson District, in the many new openings for missionaries, in the total increase of members throughout the Province, and last, but not least, in the successful inauguration of a movement for a college under our own auspices, which has already met with encouragement and help.

Now, that our fair Province is known to the world at large and becoming famous, thus attracting people to our coast and interior settlements, fresh obligations rest upon us to provide the ordinances of religion to those whom the Providence of God sends among us. For this object, renewed and determined outlay and effort are needed and should be liberally supplied.

To the Great Head of the Church we render devout thanksgiving for all past success, and to Him we look for the blessing and favor which is essential to save sinners and establish believers.

REPORT OF SABBATH SCHOOL COMMITTEE.

Your Committee is pleased to report progress made in this department the past year.

1. Moneys raised for Sunday School purposes.....	\$3,691 45
Increase, \$1,197 93.	
Moneys raised for Missions.....	209 25
Decrease, \$44.95.	
Total	\$3,900 70
Total increase, \$1,152 98.	

2. Your Committee notice with regret that due regard is not given to the circulation of papers published at our own Book Room in two or three schools.

3. We are glad to find an increase of 631 volumes in our libraries, but special care should be taken by the school boards in selecting books so as to raise the standard and cultivate a taste for good literature.

4. Only two schools are reported as holding teachers' meetings for the study of lessons. We urge the importance of regular weekly meetings for this purpose.

5. It is recommended that a pledge roll be kept in each school, and that it be brought before the scholars for signature at least once a quarter.

6. Out of 3,680 scholars only 452 are reported studying catechism. Although this is a small increase on last year, our school boards are not alive to this most important branch of Sabbath School work. We suggest that each minister use his best endeavors to see that there is a more general use of the catechism in every school.

7. We suggest the advisability as far as possible of having written examinations upon the lesson half-yearly or annually, with a view to giving importance to and making more thorough the work of the scholars.

8. We recommend that the Conference request the President to call a Sabbath School convention during the year; and we further recommend that our schools co-operate with other denominations desirous of holding conventions.

S. J. THOMPSON, *Chairman.*

A. W. E. THOMPSON, *Secretary.*

REPORT OF THE COMMITTEE ON MISSIONS.

Your Committee on Missions beg leave to report as follows:

1. *Re* the memorial of the Victoria District asking for the establishment of a Chinese Mission at Nanaimo, we recommend that such a Mission be established.

2. We also recommend that this Conference request the General Board of Missions to grant Bro. Chan Sing Kai a salary of \$700 and travelling expenses.

3. We further recommend the Conference to request the General Board of Missions to pay the sum of \$281.60, being the balance due to Rev. T. Crosby and Rev. C. M. Tate, as per *Glad Tidings* accounts.

4. Your Committee having carefully considered the reports of our missionaries to the native tribes, and having in view the best interests of this important work, beg to report that in their judgment the continued use of the steamer *Glad Tidings* is very important, and if the General Board of Missions can see its way to the appointment of an earnest missionary who may have some experience in our work amongst the Indian tribes and knowledge of Indian character, whose duty it shall be to visit those numerous bands of Indians who are to this day in heathen darkness, having scarcely yet heard the gospel message of salvation, we believe that the great Head of the Church would bless this enterprise, and render this steamer a greater blessing to all concerned than has yet been realized. We have the information before us that there are thousands of Indians on the seaboard of this Province who are still without any Protestant missionary. We have a suitable steamer, well equipped for such service as we suggest, and we believe it is the duty of our Church to make the best possible use of this vessel, which must be ever regarded as an expression of the Christian benevolence of our people. Should lack of funds render the appointment of a special missionary impracticable for the present year, we recommend that the steamer be placed at the disposal of the chairman of the Simpson District, and that a grant be made, sufficient to enable him to use her as opportunity may offer in visiting various Missions on the District, and particularly in carrying bands of Christian workers from camp to camp and holding special evangelistic services, as has been done with most blessed results during the past winter.

5. We further recommend that we adopt the minute of the Simpson District *re* the Boys' Home at Port Simpson. (See Resolution 3, Simpson District.)

6. Your Committee have considered the resolution of the Simpson District with reference to the establishment of an Indian Industrial School at Bella Bella or vicinity, and we desire to express our approval of the suggestion contained therein, and recommend that the resolution be forwarded to the General Board of Missions.

7. *Re* the recommendation for an Industrial School to be established in Upper Skeena, we recommend the minute of the District be adopted.

8. We further recommend the Conference to forward the table prepared by Brothers Crosby and Bolton, which shows the discrimination practised by the Indian Department against Indian Schools under the care of the Methodist Church, as compared with their treatment of those under the care of other Churches.

Grainger Hargraves, a minister of the Wesleyan Methodist Church recently returned from years of successful service in China, as one whose presence, counsels and labours would be of very great value in advancing the interests of our Chinese Mission work.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

Your Committee beg leave to report :

1. That we are deeply impressed with the responsibility of our Church in relation to Sabbath Observance in this country, and would earnestly admonish our ministers and people to aim at reflecting the spirit of Bible teaching with regard to it. The Sabbath perishes only from the loss of the truth it embodies. For the maintenance of this, we need to keep to Bible teaching, to observe the estimate and emphasis God Himself has placed upon it. Its unabated and undying obligation as the rest of holiness, and seen in the fact, that the command concerning it stands peer of the nine other Commandments in the ten applications of the one great law of love, with no liberty to modify this that does not apply equally to all the rest. The striking coincidence of a desecrated Sabbath and a backslidden state in God's ancient Church, is admonitory, and has repeated itself again and again in the history of nations and individuals.

2. Whilst we would not interfere with the free play of individual conscience, we would at the same time warn against the subtle sophisms that often cloud the mind and serve the ends of inclination, by silencing doubt and over-riding scruple, until the sense of the sanctity of the day is lost. Inclination has many watchwords, and is fruitful in expedients. Facilities are increasing for invading the sanctity of the day and the tendency grows to admit one thing after another under the plausible pretext of "works of necessity," until practice reacts upon sentiment, and the lower motives subordinate the higher. Whilst punctilious observance of the day is not synonymous with piety, it is equally true that we shall not become pious by laxity. We need to be careful, lest by leniency our voices grow weak and weaker in protest, until we have no Sabbath left to defend. Our rebuke of desecration cannot survive the day when it becomes our own condemnation.

3. This day, which stands for the holiest and happiest things of the Church, the birthright rest of toiling man, and which is so strangely and beautifully related to our social institutions and spiritual life, claims a place in our thought and regard with all its enrichment of scriptural meaning, until it becomes more and more a joyous rest day, the Lord's Day indeed. Let us have a sensitive regard to our influence upon others,

as well as to the will of God. Much is expected of us, and many eyes are upon us. A firm, enlightened and conservative position should be ours, and in our practice we should rather err on the side of scrupulousness than on the side of laxity. Neither the example of others, the toleration of our times, nor the fear of ridicule should even cause us to waver. "Ridicule is the test of truth only to those who fear laughter more than God."

JOHN ROBSON, *Secretary.*

REPORT OF SUSTENTATION FUND COMMITTEE.

Your Committee report as follows:

We find a total deficiency in the salaries of domestic missionaries of \$4,769.50.

To meet this deficiency the several Districts have raised the following sums:—

Victoria District	\$414 10
Westminster	499 25
Kamloops	102 90
Simpson	2 00
Conference received	5 00

\$1,023 25

We desire to express our sincere regret that, notwithstanding the large increase of this amount over the receipts of last year, the amount received is still so inadequate to meet the necessities of the case; but after the most careful consideration we recommend the following as the most equitable disbursement possible under the circumstances, viz.: J. E. Archer, \$15; E. Manuel, \$40; J. A. Wood, \$25; C. Bryant, \$55; J. W. Winslow, \$50; Wm. Hicks, \$50; A. N. Miller, \$25; W. E. Moody, \$18.25; J. D. P. Knox, \$15; T. W. Hall, \$130; J. Calvert, \$100; A. J. Garbel, \$50; C. Ladner, \$100; J. P. Hicks, \$75; T. Neville, \$25; A. K. Sharp, \$75; J. Turner, \$100; E. V. Smith, \$75. Total, \$1,023.25.

We further recommend that T. R. Pearson be re-appointed Treasurer of the Fund. We most earnestly commend this most necessary and important Fund to the hearty sympathy and support of our people and ministers of this Conference.

T. W. HALL, *Chairman.*
J. H. WHITE, *Secretary.*

An additional clause to the above was carried as follows:

That we re-affirm the resolution of last year, making imperative upon every minister in the Conference to appoint a special Sustentation Fund Sunday, when the necessity and urgent need for contributions be laid before the people, and furthermore that a committee consisting of the Chairmen of the Victoria, Westminster and Kamloops Districts, with Messrs. N. Shakespeare, J. E. Pearson and Josiah Savage, be appointed to gather facts and figures and carry out the above regulations.

REPORT OF EDUCATIONAL COMMITTEE.

Your Committee beg to report the following amounts contributed by the various districts of this Conference to the Educational Fund :

Victoria District	\$61 65
Westminster District	83 79
Kamloops District	16 50
Simpson District	24 00
	\$185 85
75 per cent. of this amount to be remitted to the Educational Board	\$139 42
25 per cent. to be retained by this Conference	46 43
Amount carried over from last year	8 47
Total	\$54 90
Less expenses of Examining Board	16 50
Leaving a net balance of	\$38 40

We recommend that this sum be equally divided between J. D. P. Knox and T. Neville.

We recommend that T. Neville, J. D. P. Knox, H. L. Lovering and S. Wilkinson be allowed to attend the Columbia Methodist College for the next Conference year.

We further recommend that application be made to the General Conference Special Committee to grant financial aid to Columbia Methodist College of a sum at least equal to the amount paid into the Educational Society by the British Columbia Conference.

We further recommend that the Chairman and Financial Secretary of Westminster District and the Principal of the Columbia Methodist College be a Committee to arrange for supply of pulpit and pastoral work by Conference students attending said College and to determine the remuneration to be allowed for such source, and that Thomas Cunningham be appointed Treasurer of the Fund.

All of which is respectfully submitted.

JOSEPH HALL, *Chairman*.

THOMAS CUNNINGHAM, *Secretary*.

REPORT OF COMMITTEE ON MEMORIALS.

1. *Re* Memorial of Westminster District *in re* Circuit Invitations, as follows:

Resolved,—That in the opinion of this Quarterly Board (*i.e.*, New Westminster Circuit Q.O.B.) the giving of invitations by Quarterly Official Boards and the acceptance of such invitations by ministers, is contrary to the spirit of Methodism and subversive of the principle of the itinerancy. The committee made no recommendation. In amendment to the report, it was moved by D. S. Ourtis, seconded by A. E. Green, That the above resolution be the deliverance of the Conference.

It was moved in amendment to the amendment, by D. Robson, Esq., seconded by Rev. J. H. Winslow,

Whereas, the plan of the itinerancy in the Methodist Church, aiming to secure the wisest distribution of ministerial labor within the bounds of the Conference, and a periodic change of pastors is based on the mutual surrender by people and pastors of their rights in regard to choice of laborer or field into the hands of a committee expressly appointed for this purpose by the joint vote of laymen and ministers;

And, whereas, the discipline of the Church provides specifically for the presentation to the Stationing Committee of the views of the Quarterly Official Boards or ministers in particular appointments;

And, whereas, there has grown up a practice of Quarterly Official Boards and ministers entering into negotiations directly with each other with the object of securing certain appointments and giving and accepting invitations without the assent or knowledge of the Stationing Committee;

And, whereas, the practice has a tendency to encourage a spirit of self-seeking among congregations and ministers and occasions serious embarrassment to the Stationing Committee whose work it has forestalled and is a source of danger to the peace and fraternity of the Church; therefore,

Resolved,—That in the opinion of this Conference the practice of giving and receiving invitations otherwise than through the Stationing Committee ought to be discontinued by our churches and ministers, and that while giving the attention to proper representations made to Quarterly Official Boards in conformity with the provisions of the Discipline, the Stationing Committee should hereafter refuse to consider any negotiations or invitations which may have been carried on or given directly between churches and ministers.

The amendment was discussed at length, when Rev. L. R. Carman stated that while he was willing to conduct the consideration of the question *re* Circuit Invitations, according to the rules of debate, he was unable, as an administrator of the General Conference, to put the amendment, or the amendment to the amendment, to vote by the Conference.

The chair, therefore, ruled both out of order, as they transcend the powers of the Conference as defined by the Discipline.

The recommendation of the committee was then accepted.

2. *Re* salaries of Domestic Missionaries.—That having considered the memorial of Kamloops District *re* the salaries of Domestic Missionaries, we recommend that the General Board be urged, if possible, to restore the basis upon which the grants are made to this Conference, to the amounts allowed prior to the last meeting of the Board. Further, inasmuch as the position of Kamloops District is unique, the cost of living and of travelling in that portion of the Province being exceptionally high, we would strongly urge upon the General Board the imperative need that exists of giving that District special consideration if our work in that great country is to be carried on efficiently, and would recommend that grants be made to that District upon the basis adopted without discount, believing that such an arrangement would be the most equitable one possible under the circumstances. We furthermore express our conviction that it is desirable in the interests of our work in that District that the General Board make such additional provision for the Chairman as

4. *Re travelling expenses of Chairmen of Missionary Districts*, we recommend that the General Board be urgently requested to make such provision for the travelling expenses of the Chairmen of Missionary Districts as shall enable them to visit the Circuits and Missions under their charge in accordance with the provisions of the Discipline.

5. *Re the transfer of properties now held by the Trustee Board of the Central Church, New Westminster, to the Trust Boards of the West End and Sapperton congregations*, we recommend that the request of the Board be granted.

6. *Re Mission City Trust Board's request for permission to exchange certain lots now held by them for other lots in a more suitable location*, we recommend that permission be granted.

REPORT OF CONTINGENT FUND COMMITTEE.

Your Committee recommend as follows:

1. That (\$20) twenty dollars be paid Bro. E. Michner for medical expenses.
2. That the cases of Bros. Bryant and Gaebel be referred to the ensuing Financial District Meetings of their respective Districts for their consideration.
3. That in Bro. H. L. Lovering's case, considering the state of the Fund, we make no recommendation.

Re CIRCUIT INVITATIONS.

The following preamble and resolution was reported to the Conference by the Stationing Committee, concurred in and ordered to be printed in the Minutes:—

Whereas, the work of the Stationing Committee has been rendered more difficult than otherwise it would have been, by the fact that the Quarterly Official Boards of some Circuits within the bounds of the Conference had entered into private negotiations with ministers belonging to other Conferences with a view to securing their services for these particular stations, without due consideration being given to the convenience or comfort of ministers and their families now in the field, or to such an arrangement of the stations as would ensure the most efficient administration of District and Conference work: therefore,

Resolved,—That while we have on this occasion complied as far as possible with the expressed wishes of the Circuits concerned, we desire to kindly point out to the esteemed brethren composing the Quarterly Official Boards, that in so small a Conference as ours, the pursuance of the course above referred to cannot fail to cause serious embarrassment to the Stationing Committee, lessen the efficiency of our Church as a whole, and disturb to some extent the present state of good feeling and mutual confidence so happily existing between ministers and people, and among the various Circuits and Missions of our Conference.

We would remind our people that our Churches are not independent congregations, but a connexion, and that the principle of the itinerancy can be given its highest efficiency only when both people and pastors loyally surrender into the hands of the Stationing Committee, elected by the joint vote of laity and minister, the right to choose, on the one hand, what pastors they shall have, and on the other, what congregations they shall serve.

PASTORAL ADDRESS.

DEARLY BELOVED,—Once more assembled in Annual Conference for the purpose of reviewing the work of the past year and attending to the varied and important duties to which by the grace of God we have been called, we greet you in the name of our Lord Jesus Christ, by whose abounding mercy we have been made fellow-heirs to the everlasting inheritance, unto whom, with the Father and the Holy Spirit, be all praise and glory, world without end.

We give thanks to God and the Father of our Lord Jesus Christ for the hope which is laid up for you in heaven, praying always for you that you might walk worthy of the Lord unto all pleasing, being fruitful in every good work and increasing in the knowledge of God.

We rejoice at the closing hours of this Conference to record the harmony and brotherly love which have characterized its proceedings, and above all, with profound gratitude do we make mention of the presence of our Divine Master so blessedly vouchsafed to us in all our gatherings for worship and throughout the sessions of Conference.

The returns which come to us from the several Districts show a gratifying increase in the membership of the Church during the year, largely the result of revivals, which by the grace of God have watered and refreshed the heritage of the Lord in the different sections of the Conference. The Simpson District has been especially favored, and many of the Indians on that extensive District have been brought to a saving knowledge of Christ during the year.

With devout gratitude to the Great Head of the Church we record the reception into full connection with the ministry of our Church by this Conference of five young men, who have given good proof of their ministry during four years of probation, and have passed successfully all the examinations prescribed by the Discipline of the Church.

The Sabbath School returns show a steady increase both in attendance and in amounts raised for Sabbath School and other purposes; but again we would direct your attention, brethren, to the fact that our catechism is not so generally used by the schools as is desirable for building up and establishing our young people in the doctrines of our holy religion, a clear and comprehensive knowledge of which is so necessary for the development of an earnest and intelligent piety.

We would also mention with much gratification the steady progress which is being made by the Epworth Leagues of Christian Endeavor within the bounds of this Conference, and most earnestly commend them to your appreciative regard and fostering care. We affectionately urge that great care be taken that these societies, which have already become so valuable an organization of forces for the prosecution of religious work, shall be truly loyal to the doctrines and discipline of the Church, and to this end we strongly recommend the employment of every available means of becoming thoroughly acquainted with them.

The past year will be long remembered as an important epoch in the history of our Church in this Province, because of the establishment of "Columbian Methodist College," which took place on the 8th of September, 1892, under the efficient principalship of Rev. R. Whittington, M.A., B.Sc., and Miss Lucy Hurlbert, M.E.L., and was incorporated by Act of Provincial Parliament at its last session.

The success of this College, which is established by the British Columbia Conference of the Methodist Church for the purpose of imparting education to the youth of both sexes in the higher departments of learning, under the most healthful Christian influences, has greatly exceeded the expectations of its most sanguine promoters; and this Conference, encouraged by the past, and realizing the needs of the young men who are to constitute the ministry of the coming years, has resolved on the immediate establishment of a theological department, where an efficient training, fitting them for the great life-work to which they have been called of God, will be imparted. The Rev. J. H. White, ex President of the Conference, has been appointed College Secretary, and is released from circuit duties in order that he may devote his entire time to the service of the Church in this important interest. We bespeak for him your hearty and prayerful co-operation in his work.

Again we would impress upon your minds, brethren, the solemn and perpetual obligation upon all men to "remember the Sabbath Day to keep it holy," and would affectionately warn you against any relaxation from the careful and conscientious observance of this holy day, instituted of God for sacred rest and divine worship.

The great temperance reform still calls loudly for unremitting and earnest effort on the part of the Church; and let us exhort you, brethren, to unceasing fidelity in this severe and prolonged struggle against intemperance, that most prolific source of poverty and crime.

While it is matter for devout gratitude to God that during the past year the lives of all our ministers have been preserved amid the dangers and toils incident, especially, to missionary life in some parts of our work, yet we are deeply conscious of the loss sustained by our work in the retirement of Rev. C. Bryant from the active ranks of the ministry on account of failing health. We bespeak for him your earnest prayers, if peradventure it may please God to restore him again to health and to his loved employ.

We cannot close this pastoral address without referring to the great pleasure and profit we have derived from the presence with us of our beloved and revered General Superintendent, Rev. Dr. Carman, whose matured wisdom and stirring gospel addresses have been a source of strength and inspiration to us. We ask you to join us in prayer to Almighty God that his useful life may be long spared to the Church.

And now, brethren, we commend you to God and to the word of His grace, which is able to build you up and to give you an inheritance among all them which are sanctified. And unto Him who is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen.

PRESS NOTICES:

"A somewhat remarkable volume of sermons, which forms the latest addition to the series known as 'Preachers of the Age.' It consists of noonday sermons delivered a year or two back by the Rev. W. L. Watkinson, perhaps the most cultured, and certainly the most original, preacher of contemporary Methodism. The spiritual insight and ethical suggestiveness of these sermons is unquestionable; they are full of close reasoning, and in point of literary expression they reach a level which is far from common. . . . Frequently the literary and social verdicts of the age are turned to telling account by the preacher, who also draws illustrations in support of his theme from the most recent conclusions of science."—*The Speaker*.

* * *

"Touching the question of intemperance, the author refers to Mr. Matthieu Williams' contention that inebriety is not an unmitigated evil, that it forms a happy way of getting rid of the weak-minded and incapable members of the community. 'So,' sarcastically exclaims Mr. Watkinson, 'alcohol is a splendid instrument of civilization! . . . Drunkenness is one of Nature's exquisite arrangements for keeping things up to the mark!'"—*Christian Million*.

* * *

"Mr. Watkinson's sermons are marked by vigorous thinking, fresh handling of texts and subjects, apt and unbackneyed quotation, and felicitous illustration."—*Glasgow Herald*.

* * *

"There are plenty of signs in this volume that the writer is a man of culture. Almost every page shows that he has read widely; and he makes the scientist, the philosopher, the poet and the novelist contribute to the elucidation and enforcement of the theme he has in hand."—*From a Review*.
